4. Slow Play – Competitors who are consistently guilty of slow play and unnecessary delay on the course during the playing of a competition may be disqualified.
5. Players in Competition shall have precedence both in starting and through the green over players playing casual golf.
6. It is a condition of entry to any Qualifying Competition that the player must enter the competition by signing in on the computer. Any player who fails to comply with this condition will be deemed not to have a score for the competition nor for handicap purposes.
7. A player taking part in any competition should return the competition card, as required by the competition's committees, immediately on finishing their round.

Competitions Cards.

8. Competition Cards must clearly show the Competitors full name, Playing handicap, Course Handicap, date of competition, name of competition, actual score on each hole and the signature of the competitor and marker. The committee requests that competitors must put these

details on the card when the label printer is not working.

9. In a strokes competition the competitor is requested to total their score and apply the correct handicap
10. In a stableford competition, the competitor is requested to enter and total their stableford points on the card.

Match Play Competitions.

11. Matchplay competitions MUST be decided by the date on the draw sheet. Failing to do so disqualifies both players or sides. The home team (being the top named person or persons in any match on the sheet) will have the responsibility to contact the opposition to arrange the match. The winning player or side must immediately post the result onto the draw sheet.

Practice on the Course.

12. Practice on or playing of a hole or holes before a competition disqualifies a player in the competition of the day (exception – match play competitions).
13. No more than 2 balls are permitted by a single player playing a practice round. Practice swings should be kept to a minimum.

23. The Committee may, at any time, rescind, alter or add to the foregoing Rules and Regulations if the deem it necessary to do so.

PURSE

The Men's & Ladies Sections use Purse accounts for payment of competition fees which are automatically deducted from your account when a competition is finished. You must credit your Competition Purse Account on line using either a debit or credit card

in the BRS booking system. In exceptional circumstances your account can be topped up in the Pro Shop.

The BRS golf online application is used to manage competition and casual golf bookings. When you get you GI membership number you set up an account on the app and top it up with funds from a bank debit or credit card. You must have available funds in your account to make a valid booking for a competition. Timesheets are used when there is a competition taking place as it allows competitors to book a time slot which is suitable for them to play golf. Once their names are on that slot no other group of people may tee off from the 1st Tee at this time, unless of course you are late in which case you forfeit the slot. It also ensures that a proper interval of time is maintained between groups of people teeing off.

If you do not have a playing partner, you are welcome to put your name on the sheet with others where there is a space.

The Men's and Ladies Committees encourage all members to play in the competitions. Priority Tee Times are given to the competition. However, if you wish to play golf on a main competition day, limited tee times are available for casual golf. Fees apply only to competitions but not casual golf.

It is extremely important that players unable to make their tee time notify the Pro Shop at (01) 458 0522 in sufficient time, out of respect for the Golf Club and their playing partners. A message should be left if the Pro Shop is unavailable

ETIQUETTE

Every individual in the club should at all times, show respect and understanding for the rights, safety and welfare of all.

On the Course:

Please avoid slow play at all times. If you are not able to keep up with the people ahead of you, and you are delaying the people behind you, you must give way.
